

JIGSAW'S INTEGRATED MODEL FOR LIFELONG LEARNING

Centre of Excellence

Delivering a quality service requires the right staff expertise. We invest in our people through the Centre of Excellence underpinning our services.

CPD & Certification Programme

Embedded programme offering recognised certification and qualifications.

Research, Theory & Practice

Research driven system-wide approach to learning - dedicated to the instruction and monitoring of professionals.

Embedded Training & Development

Professional Development Programmes to teach our staff to be experts in their field, decision-makers and leaders.

'Wrap Around' Support Services

Provide support for individuals to access all the services offered including domiciliary, respite and community care.

Centre for Lifelong Learning

Day resource providing vocational training and employment opportunities for adults with a curriculum for lifelong learning.

Social Enterprise

Opportunities for clients and pupils for work and job-related learning.

Life Skills Centre

Separate resource for natural, environmental learning, facilitating the generalisation of skills for independence.

Jigsaw CABAS School

Provider of specialist education to children age 4-19 years diagnosed with an autism spectrum disorder. Recognised as OUTSTANDING by Ofsted (2010 & 2013).

Housing

In partnership with local Housing Associations, provision of accommodation in the community, sensitive to the needs of our clients.

Benefits of the 'wrap around' Support Services will be felt by families through extended hours and respite care; ongoing support and education for the wider community; plus a smoother transition between all Jigsaw services.
